

ACEM ASM 2017 Program at a Glance

Saturday 18 November 2017									
					Sydney Clinical Skills and Simulation Centre (Offsite)				
09:00-10:30	ACEM New Fellows Workshop	How to scan Set up for scanning success: the how to of ultrasound	Whole Life Health; Evidence Based Wellbeing for Doctors	Communication in the ED Session 1		09:00-10:30	Teaching Emergency Response Training in the Emergency Department Using Simulation Session 1	Management of Airway Emergencies in the Emergency Department – A Human Factors Approach Session 1	
10:30-11:00	Morning Tea <i>Pymont Theatre Foyer</i>					10:30-11:00			
11:00-12:30	ACEM New Fellows Workshop	Proximal DVT Don't jump on a plane: Be DVT alert	Whole Life Health; Evidence Based Wellbeing for Doctors (cont.)	Communication in the ED Session 1 (cont.)		11:00-12:30			
12:30-13:30	Lunch <i>Pymont Theatre Foyer</i>					12:30-13:30			
13:30-15:00	ACEM New Fellows Workshop (cont.)	ECHO POSITION IMPOSSIBLE? Perspectives of the heart (includes 15 min tea break)	Whole Life Health; Evidence Based Wellbeing for Doctors (cont.)	Communication in the ED Session 2	Radiopaedia Emergency Radiology Workshop: CT Chest & Abdomen	13:30-15:00	Teaching Emergency Response Training in the Emergency Department Using Simulation Session 2	Management of Airway Emergencies in the Emergency Department – A Human Factors Approach Session 2	
15:00-15:30	Afternoon Tea <i>Pymont Theatre Foyer</i>	Afternoon Tea <i>Pymont Theatre Foyer</i>				15:00-15:30			
16:00-18:00	ACEM New Fellows Workshop (cont.)	Gastrointestinal INTO THE DEEP: Bowel Ultrasound (includes 15 min tea break)	Whole Life Health; Evidence Based Wellbeing for Doctors (cont.)	Communication in the ED Session 2 (cont.)	Radiopaedia Emergency Radiology Workshop: CT Chest & Abdomen (cont.)	16:00-16:15			
18:00-18:30						18:00-18:30			

ACEM ASM 2017 Program at a Glance

Sunday 19 November 2017

Sunday 19 November 2017								
08:00	Registration Open <i>Level 2 Foyer</i>				08:00	Sydney Clinical Skills and Simulation Centre		
09:00-10:30	Training for FACEM Supervisors	Basic Focused Cardiac Ultrasound - Cardiac Skills Australia	Learn some AGESIM (Advanced Geriatric Emergencies in Short Modules)	Trauma Masterclass Session 1 (includes 15 min tea break)	Radiopaedia Emergency Radiology Workshop: CT Brain & Spine	09:00-10:30	Teaching Emergency Response Training in the Emergency Department Using Simulation Session 3	Management of Airway Emergencies in the Emergency Department – A Human Factors Approach Session 3
10:30-11:00	Morning Tea <i>The Gallery</i>				Morning Tea <i>The Gallery</i>	10:30-11:00		
11:00-12:30	Training for FACEM Supervisors (cont.)	Basic Focused Cardiac Ultrasound - Cardiac Skills Australia	Learn some AGESIM (Advanced Geriatric Emergencies in Short Modules)	Trauma Masterclass Session 2 (includes 15 min tea break)	Radiopaedia Emergency Radiology Workshop: CT Brain & Spine (cont.)	11:00-12:30		
12:30-13:30	Lunch <i>The Gallery</i>		Lunch			Lunch <i>The Gallery</i>	12:30-13:30	
13:00								
13:30-15:00	Training for FACEM Supervisors (cont.)		Cutting holes in the rabbit-proof fence – (who is on the other side now?) (includes 15 min tea break)	Trauma Masterclass Session 2 (includes 15 min tea break)		13:30-15:00		
15:00-15:30	Afternoon Tea <i>The Gallery</i>						15:00-15:30	
16:00 - 16:15	ACEM Annual General Meeting & Award Ceremony (ACEM Fellows only) <i>Pymont Theatre</i>				16:00 - 16:15			
16:30 - 18:00	ACEM College Ceremony Tom Hamilton Oration <i>Pymont Theatre</i>				16:30 - 18:00			
18:00 - 20:30	Welcome Reception <i>Starship Sydney</i> 'Welcome to Sunny Sydney'				18:00 - 20:30			

ACEM ASM 2017 Program at a Glance

Monday 20 November 2017

06:30 - 19:00	Registration Open <i>The Gallery Foyer, Level 2</i>						06:30 - 19:00
08:30 - 10:30	Opening Plenary Session <i>'The wicked problems'</i> <i>Pyrmont Theatre</i>						08:30 - 10:30
	Official Welcome to Country						
10:30 - 11:00	Morning tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						10:30 - 11:00
11:00 - 12:30	Clinical	Paediatrics	Toxicology	Free papers	The ED where I'd like to work	Perspectives on EM Care	11:00 - 12:30
	High Stakes Emergency Cardiac Care: The latest in Acute Coronary Syndrome; Sudden Cardiac Death; Resuscitation	Paediatrics Updates: expanding frontiers in clinical knowledge from neonates to adolescents	Hyperbaric oxygen therapy for CO poisoning	Free papers	Integrated emergency medicine, the next frontier: beyond process improvement towards a patient-focused future	Perspectives on EM Care	
			Anticholinergic delirium		Digital disruption: preparing and smoothing the path to large scale digital transformation		
			Digoxin poisoning		Optimising the EDSSU: what matters		
			APAP poisoning		Scribes: All you need to know		
			Drug facilitated crime		Panel Q and A		
			Illicit drug poisoning				
12:30 - 13:30	Lunch, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						12:30 - 13:30
13:30-15:00	Clinical	Resource Stewardship	Emergency Care Out There	Free papers	EM Research: how to	Mentoring in EM	13:30-15:00
	Alcohol and other drugs: the bigger picture Including methamphetamines; alcohol harm reduction, prescription opiates and avoiding addiction risk in ED prescribing	Too much medicine or not enough? Social media in health Choosing wisely - flagship site experience Choosing wisely - where to from here? "Friends of science in medicine"	Rural Emergency Medicine Context, Practice, Workforce and more	Free papers	Research training and problem solving for EM researchers	Mentoring in your ED: setting up a program; what works and what doesn't; the difficult conversations with your mentee or mentor; recognising burnout; fostering resilience; what about the new accreditation requirements?	
15:00 - 15:30	Afternoon tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						15:00 - 15:30
15:30 - 17:00	ACEM Foundation Lecture <i>Pyrmont Theatre</i>						15:30 - 17:00

Tuesday 21 November 2017						
06:00 - 08:00	Optional Wellness Activities; <i>Bondi to Coogee Walk followed by Breakfast at 'The Bucket List'</i> <i>Yoga at Tumbalong Park</i>					06:00 - 08:00
06:30 - 17:00	Registration Open <i>The Gallery Foyer</i>					06:30 - 19:00
07:30 - 08:30	Sponsored Breakfast Presentations <i>To be confirmed</i>					07:30 - 08:30
09:00 - 10:30	Plenary Session 2 Pyrmont Theatre <i>'Gender Equity - Getting the balance right'</i>					09:00 - 10:30
10:30 - 11:00	Morning tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>					10:30 - 11:00
11:00 - 12:30	Clinical	Ultrasound	Challenges in mental health	EM Engagement and Education	Free Papers	ACEM: Reporting back on EM discrimination, bullying and harassment
	Sepsis. Research, outcomes and new directions from the investigators themselves	'The State of Play' in Australasian EDs Improving patient outcomes with POCUS	Suicide risk assessment	Rapid fire presentations and discussion: Simulation: changing the game; Models of EM education in the small ED; meeting the challenges of time and distance in major metro EDs; my journal club	Free Papers	Report from the ACEM Expert Advisory Group and Discrimination, Bullying, Sexual Harassment working group: A series of snapshot presentations and panel discussion with open floor discussion Q and A from the audience
		Emergency Medicine Ultrasound Groups: Join the POCUS (R)evolution!	Sedation in the agitated patient			
		The College perspective on Bedside Ultrasound - What lies ahead ACEM Executive Director of Education and Training	Medical clearance: fact or fiction?			
		Co-directors/Faculties of Emergency Ultrasound in teaching hospitals - What do they do, and are they necessary?	The safe observation room			
		'Planting the SEEDS' - Sonography Educators in the ED Senior Sonography Educators	PTSD and ED patients			
		Setting up a local Training Program for Registrars/FACEMs How to do to it... and how not to do it! Scott Flanagan	TBA			
12:30 - 13:30	Lunch, ePoster viewing & trade exhibition <i>The Gallery</i>					12:30 - 13:30
13:30-15:00	Cutting Edge Clinical: ECMO Masterclass	Workforce: in the ED and way beyond	Geriatric EM: is restoration more fun than resuscitation?	Free Papers	Geriatric EM Education and Training Update from ACEM	EM Hacks: shortcut to the best evidence
	1. Why ECMO? 2. Introduction to ECMO/Circuit/short video 3. Case presentations and Panel discussion a. Cardiac arrest and the use of VA ECMO b. Cardiogenic shock from poisoning and the use of VA ECMO c. Respiratory failure: eg: asthma and the use of VV ECMO 4. Questions and answers 5. Conclusion	EM for everyone: closing the rural metro gap; ED medical staffing toward the future; Perspectives from Trainees and FACEMs; Older doctors and retirement; Hear it from the hospital administrator	GEMSIG session on the latest in geriatric emergency medicine	Free Papers	Hear it from the experts. ACEM Education and Training Update. The new Selection into FACEM Training (SIFT) process The Training Program 2 years on – Preliminary results from the ACEM Curriculum Framework Evaluation, FACEM Training Program and ITA Review Development of the Pre-Hospital & Retrieval Medicine Diploma New RPL policy for credit from FACEM Training Program to the EMC/EMD qualifications New Resources & Courses for supervisors of ACEM trainees	Join a lively panel of experts discussing their top picks from recently published EM literature. Shortcut to the evidence: Best papers we've read so you don't have to(1) Focus on Paediatrics
15:00 - 15:30	Afternoon tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>					15:00 - 15:30
15:30 - 17:00	Plenary Session 3 Pyrmont Theatre Leadership and Unconscious Bias Reflections on gender and leadership in health Enjoying a Lifetime in EM					15:30 - 17:00
18:30 - 22:00	IEM Network Dinner					18:30 - 22:00

ACEM ASM 2017 Program at a Glance

Wednesday 22 November 2017

06:30 - 15:30	Registration Open <i>The Gallery Foyer, Level 2</i>						06:30 - 1900
07:30 - 8:30	Sponsored Breakfast Presentations <i>To be announced</i>						07:30 - 8:30
09:00 - 10:30	Plenary Session 4 <i>Pyrmont Theatre</i>						09:00 - 10:30
	Beyond our wildest imagination Investigating and responding to chemical weapons attacks in Syria and Iraq Our EM destiny in our hands						
10:30 - 11:00	Morning tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						10:30 - 11:00
11:00 - 12:30	Quality care in ED: future focus	PE / diagnostic dilemmas	Trauma 1	Free Papers	Public health, political advocacy	The ED where I'd like to work: Private EM	11:00 - 12:30
	Mandatory training overload - Alice through the looking glass	Pathways for Pulmonary embolism diagnosis: current evidence	Trauma physicians a new concept	Free Papers	Public health, political advocacy session: what works, what's planned	Explaining the new Medicare schedule proposal	
	The Utstein approach to defining Emergency Department parameters – a Global Collaboration. "Capturing procedural competency"	Massive PE diagnosis and Treatment	Paediatric trauma update: is anything new?			Dividing FACEM time between Public and Private: an opportunity to avoid burnout?	
	Capturing procedural competency	Pulmonary embolism in pregnancy: evidence based investigation and treatment	Use of Interventional angiography: the new surgery?			How to set up a new Private ED	
	Is it impossible to avoid diagnostic error in Aortic Dissection? Perspective from cases in Emergency Medicine Events Register	Use of the New Anticoagulants and associated problems?	Interdisciplinary trauma team training			Medical colleagues as patients; a common private ED experience	
	An update on the Australian Atlas of Healthcare Variation		Trauma Panscan: benefit or harm?			The emergency department of the future: a FACEM in your pocket	
	Learning from Coroner's reports: a new ACEM initiative		Top 5 Trauma papers for 2017			the Wise Clinic TBC	
12:30 - 13:30	Lunch, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						12:30 - 13:30
13:30 - 1500	Toxicological	EM Hacks: Change your practice? Session 2	Paediatrics	Free Papers	End of life in ED: identifying the best way forward. A consultation workshop	Technology and EM	13:30 - 1500
	Snake envenomation	Join a lively panel of experts discussing their top picks from recently published EM literature. Shortcut to the evidence: Best papers we've read so you don't have to (2) Focus on Everything but Paediatrics	"Paediatrics Updates: expanding frontiers in clinical knowledge from neonates to adolescents	Free Papers	Treatments near the end of life are often not consistent with patient wishes, prolong suffering, affect staff morale, give false hope to families and contribute to unsustainable healthcare costs. While best practice principles proliferate, translation into practice varies. This consultation will inform feasibility and acceptability of evidence-based models of service that can deliver "a good death" and can be tested and evaluated in different settings.	A series of speakers will present novel uses and evolution of technology in EM. The impacts, approaches and roadblocks will be discussed.	
	Snake envenomation						
	Toxic gas interpretation						
	Corrosive injury						
	Beta-blocker poisoning						
	Intralipid use						
15:00 - 15:30	Afternoon tea, ePoster viewing and trade exhibition <i>Trade Exhibition, the Gallery</i>						15:00 - 15:30
15:30 - 17:00	Optional Wellness Activities; Walking Tour of the Rocks and Sydney Opera House Sailing Regatta on Sydney Harbour 3 Hour Scenic Bike Tour of Sydney Tai Chi at Tumbalong Park						15:30 - 17:00
19:00 - 24:00	Gala Dinner Grand Ballroom, Hyatt Regency Sydney 'Mardi Gras Glam'						19:00 - 24:00

ACEM ASM 2017 Program at a Glance

Thursday 23 November 2017

07:00 - 17:00	Registration Open <i>The Gallery Foyer, Level 2</i>						07:00 - 17:00
09:00 - 10:30	Plenary Session 5 <i>Pymont Theatre</i>						09:00 - 10:30
Wellbeing in EM: thriving or surviving?							
10:30 - 11:00	Morning tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						10:30 - 11:00
11:00 - 12:30	Trauma 2	Free Papers	EM Education: Lifelong learning	Rural Regional and Remote EM	Are we training culturally competent or culturally competent doctors?	International EM	11:00 - 12:30
	Cerebrovascular trauma	Free Papers	Revalidation and CPD and other topics for thriving in lifelong practice	Rural Regional and Remote EM	Through small group discussion and use of case studies participants develop an in-depth understanding of what cultural competency looks like in EM practice. Participants will come away with skills that facilitate more confident assessment of cultural competency in others, as well as a better understanding of the influence of subconscious biases on their own clinical practice.		
	Emergency Room Thoracotomy						
	Update on Thoracic Trauma						
	Acute Trauma Coagulopathy Latest advances						
12:30 - 13:30	Lunch, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						12:30 - 13:30
13:30-1500	Free Papers	International EM	Ultrasound	Pre-hospital	Trainees	Free Papers	13:30-1500
	Free Papers	Working with the WHO in international disaster responses – delivering emergency care in impossible situations	Essentials of Focused Lung Ultrasound in the ED: How A and B line interpretation will improve your ED assessment	Pre-hospital care: expanding the out of hospital skill set; delivering high complexity care closer to the patient, updates and new horizons	Issues from the trainee perspective: from structuring training to parenting, studying and loving life in EM. How we do it. Panel and open floor discussion	Free Papers	
			Integrating Lung US into clinical decision making				
		Emergency Care Systems in Crisis	What a respiratory physician is looking for in lung ultrasound				
		Do we have an advocacy problem?	UTEC 2.0 - Online POCUS Learning for Emergency Clinicians				
		Capacity development for emergency care – what is going on?	The expanding POCUS Network - The wave is coming!				
	Panel discussion	Emergency Ultrasound in the USA: What can we learn for Australasian Eds					
15:00 - 15:30	Afternoon tea, ePoster viewing & trade exhibition <i>Trade Exhibition, the Gallery</i>						15:00 - 15:30
15:30 - 17:00	Closing Plenary <i>Pymont Theatre</i> Best paper from a Fellow Awards Presentations 2018 Welcome Address						15:30 - 17:00
Meeting End
